

Barn Wood

An innovative and unique collection inspired by the organic aging process of wood. Six finials are available in the collection in 8 natural finishes. For a rustic edge, we have designed Saltash, which is bound by rope for an earthy effect. Each piece is hand-crafted, finely finished by experienced craftsmen and produced using the finest timbers. All here in Britain.

Additional Services

Cording and tracking

We can supply any of our 45mm/55mm poles tracked and corded. Please see the cording template in the price-list. Select your choice of pulley direction and send to the sales office along with your order or quotation request

Decoupage

We can cover our poles with the client's own fabric or wall paper. Please contact sales for information and we will advise.

Bay-poles 'Metamorph'

Our bay poles are carefully engineered to follow the unique form of your bay window. Available in 45mm/55mm diameters.

Nylon Strip

A nylon strip is an additional service that is fitted to the top of the pole to help your rings to glide smoothly when pulled. We recommend a nylon strip especially if your curtains are heavy or lined and interlined or if the client would prefer a quieter closure of the curtains.

The Austell finial. Styled by Applemoon Interiors in Chichester
